

## PHuture Leaders Program Supervisor Statement of Support

### PROGRAM PURPOSE

---

The PHuture Leaders Program supports early-career governmental public health professionals in North Carolina by strengthening essential skills for immediate application and long-term career success. Participants explore leadership in a public health context, build foundational competencies, and develop supportive professional networks that enhance individual performance and contribute to a stronger public health workforce.

### STATEMENT OF SUPPORT

---

I approve \_\_\_\_\_'s participation in the PHuture Leaders Program and support their engagement in program activities. I recognize the value of this program in building leadership capacity, strengthening essential public health skills, and supporting professional growth within governmental public health.

I understand that participation in this program involves a modest time commitment and is designed to complement the participant's current role. I support their participation and encourage the application of program learning to their work and professional development.

Program components include:

- **Estimated time commitment: 3–5 hours per month**
- Weekly self-paced learning activities
- A monthly live webinar led by UNC Gillings School of Global Public Health faculty and staff

---
